### NOTES

The online training (a CITI RCR course – [www.rcr.gatech.edu/online-training](http://www.rcr.gatech.edu/online-training)) must be successfully completed within **ninety [90] days** of being appointed to a covered project or before the applicable person graduates or otherwise leaves the Institute, even if that imposes a shorter deadline.

The in-person training ([www.rcr.gatech.edu/compliance-inperson](http://www.rcr.gatech.edu/compliance-inperson)) must be completed within **the first year** of being appointed to a covered project or before the applicable person graduates or otherwise leaves the Institute, even if that imposes a shorter deadline.

<sup>‡</sup> Applicable doctoral students who began their graduate program prior to Fall 2011 should check with OSP if they need to discuss other options for satisfying the in-person training requirement.
